

Power Education Annual Cricket Development Programme @ JASE

Jain International Residential School was fortunate to have Power Education; a Sydney based Australian company with expertise in cricket coaching, seminar, tournaments and high performance academies. A camp in the school premises imparting rigorous training to 30 students of the school for a week. This specialist training programme has immensely helped our budding cricketers to upgrade and enhance their sporting capabilities. It was a very interactive session as the renowned coaches with their proven credentials, focused on using modern techniques to maximized quality training and inculcate competitive spirit. It would be pertinent to mention that these coaches had coached international cricketing legends like Greg Chappel, Adam GilChrist and Bret Lee.
